Raphael Tuck & Sons' **"OILETTE"** *[Regd.] Postcard* 7698

YORK. Series IV.

Bootham Bar consists of a plain, round double-arch, crowned by an Edwardian superstructure with bartizans pierced with arrow slits. The "bars" are a famous feature of York and form the means by which travellers along the main roads through the county, gain access to the city which is still surrounded by its ancient walls.
